Custom manufactured single bowl
top mount sink

Most common sizes are: 33" X 22" 43" X 22" 49" X 22"

We build every top mount sink to fit the individual situation.
The above dimensions are a general guide.

I guarantee you will be thrilled!

If, for any reason, you are not **THRILLED** with the quality of our sink, I will (1) promptly and fully refund your money, (2) pay for the return shipping cost and (3) send you a check for \$100, in recognition of the inconvenience experienced.

I want you to be THRILLED. We leave mere customer "satisfaction" to the competition. I have had this guarantee in writing since I started the business in 1999.

To date, no one has ever asked...

We anticipate that you will review these drawings carefully, as we will be responsible for building a sink to these specifications. If you are not qualified to read these plans, we assume you will have them reviewed by a qualified person.
